

# Join the Dots

Recruiting & developing **extraordinary** people

## Team Building Collaboration Day

### Objectives

To create tailored team building solutions that will help deliver your business messages and goals. We'll help you pinpoint team away day ideas that suit your specific needs. We listen to what you want, share ideas and put our planning and delivery expertise into practice.

### What is it about and what will it do?

- Development of team working and 'in it together' effort
- Helping organisations to agree visions, missions and how to move forward
- Development of collaborative effort that produces results back in the workplace
- Improvements to the communication process
- Developing of people to lead and manage with results in mind.

### Who is it for?

Organisations who want to project their people to be more results and collaboratively effective by using innovative and memorable initiatives, and a session / workshop or day that acts as a springboard.

### Outline content

- Interactive games
- Action learning set activities
- Bitesize delivery and flip learning
- Indoor and outdoor activity events
